INVITATION

It is our pleasure to invite you to join us at the workshop “*Organic agriculture in Romania*”, organized by the University of Agronomic Sciences and Veterinary Medicine on Thursday 16th November 2017.

This event is part of a larger series of scientific activities dedicated to the completion of the European project COREOrganic Plus, ID_603/2015-2018 “*Development of quality standards and optimised processing methods for organic produce*” – **SusOrganic** and will bring together Romanian and European researchers, representatives of the Ministry of Agriculture and Rural Development and the Ministry of Research and Innovation, representatives of associations of organic farming producers and processors, organic farmers, students, master students, university professors etc. but also potential beneficiaries of the project recommendations.

The workshop session will take place in the Aula Magna Petre S. Aurelian between 9⁰⁰ – 11⁰⁰ a.m., the participants’ registration starting at 8³⁰.

We trust that this event would fulfil your expectations on the subject and we are looking forward seeing you actively participating in the discussions.

**With consideration,
RECTOR,
Prof. univ. dr. SORIN MIHAI CÎMPEANU**

**SusOrganic Project manager for Romania,
Prof. dr. Liliana BĂDULESCU**
